

Wall Art

INTRODUCTION

At RK Print Finishing we pride ourselves in producing the finest quality wall art either for individuals wanting to capture that family photograph in a special piece they can keep forever or for companies looking to update the office and show off images that represent their business.

We only use the highest quality materials in our wall art and each piece is handmade in our workshop to the highest standard and fully quality checked before being delivered. After all each piece represents us as a company so it is critical to us that everything is as it should be, we are so confident in our products we put our stamp on the back of every piece we make.

Within this brochure you will find all of our products with a price list to refer to. We have carefully selected materials and finishes that we think will make your image stand out from the crowd. All of our products are printed using the latest HP Latex ink technology and are printed at the highest quality giving a very impressive visual impact.

We hope you will find this brochure of interest and if you would like to discuss a project further or have any questions about our products you can find our contact details on the back page, don't forget to see what else we can do at...

STRETCHED GALLERY CANVAS

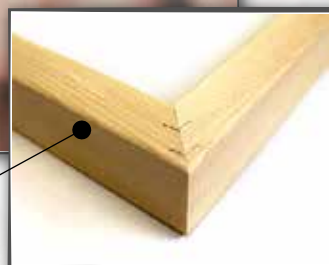

Product overview

③

①

②

Printed on our HP Latex printer these gallery canvases are scratch and scuff resistant straight from the printer, on top of this we add a layer of giclée satin liquid varnish to add extra vibrancy and protection to your canvas as well as an increase resistance to ink fading.

We then hand stretch the canvas onto 38mm deep high quality pine frames and seal in the staples on the back with brown framers tape leaving you with a premium grade product to suit any environment. All our gallery canvases are fitted with D loop fixings and are ready to hang.

Available sizes

12inch x 12inch (300mm x 300mm)
16inch x 16inch (400mm x 400mm)
24inch x 24inch (600mm x 600mm)
12inch x 16inch (300mm x 400mm)
16inch x 20inch (400mm x 500mm)
20inch x 24inch (500mm x 600mm)

CANVAS FLOATING FRAME

Product overview

③

①

②

1. Gallery quality 260gsm six colour printed canvas with a Giclée satin liquid varnish.

2. High quality floater frame, finished in black or white.

3. D loop fixings and screws fitted. Canvas arrives ready to hang.

The ideal choice for those who want to bring a warm, calm and tranquil feel within their space. Our premium grade canvas floating frame combines traditional elegance with a modern touch. With its unique textured surface, canvas gives your image a vibrant, tactile feel. All of our canvas prints are coated with a satin giclee varnish and hand stretched on sturdy, premium grade gallery frames with your choice of black or white floater frame.

The 2" deep floater frame provides a contemporary finish while lifting your image off the wall giving it an extraordinarily object focussed impression. Thanks to our 6 colour HP Latex ink system, the colours have intense luminosity and detail.

BRUSHED DIBOND WITH FRAME

Product overview

1. Clear vinyl six colour print with a flat matt seal mounted to brushed effect Dibond.

2. High quality contemporary frame, finished in black stain.

3. D loop fixings and screws fitted, arrives ready to hang.

Our aluminum prints are the perfect mix of a sleek modern substrate with a classic gallery finish.

The brushed dibond metal surface and bold latex ink printing gives each image an extraordinary, metallic appearance. Ideal for compositions with a large amount of white or strong dark and light contrasts. The areas of the image that are white or very light are not printed, but instead take on the appearance of the brushed aluminum surface. A 35mm wide by 15mm deep black stained gallery frame provides a classic presentation while protecting the edges of the aluminum. Hanging hardware complete this gallery worthy product.

Available sizes

12inch x 12inch (300mm x 300mm)
16inch x 16inch (400mm x 400mm)
24inch x 24inch (600mm x 600mm)
12inch x 16inch (300mm x 400mm)
16inch x 20inch (400mm x 500mm)
20inch x 24inch (500mm x 600mm)
20inch x 30inch (500mm x 760mm)
30inch x 40inch (760mm x 1020mm)
24inch x 12inch (600mm x 300mm) *PANORAMIC*

*SIZES ARE IMAGE SIZE, FINISHED FRAMED PRODUCTS WILL BE LARGER *

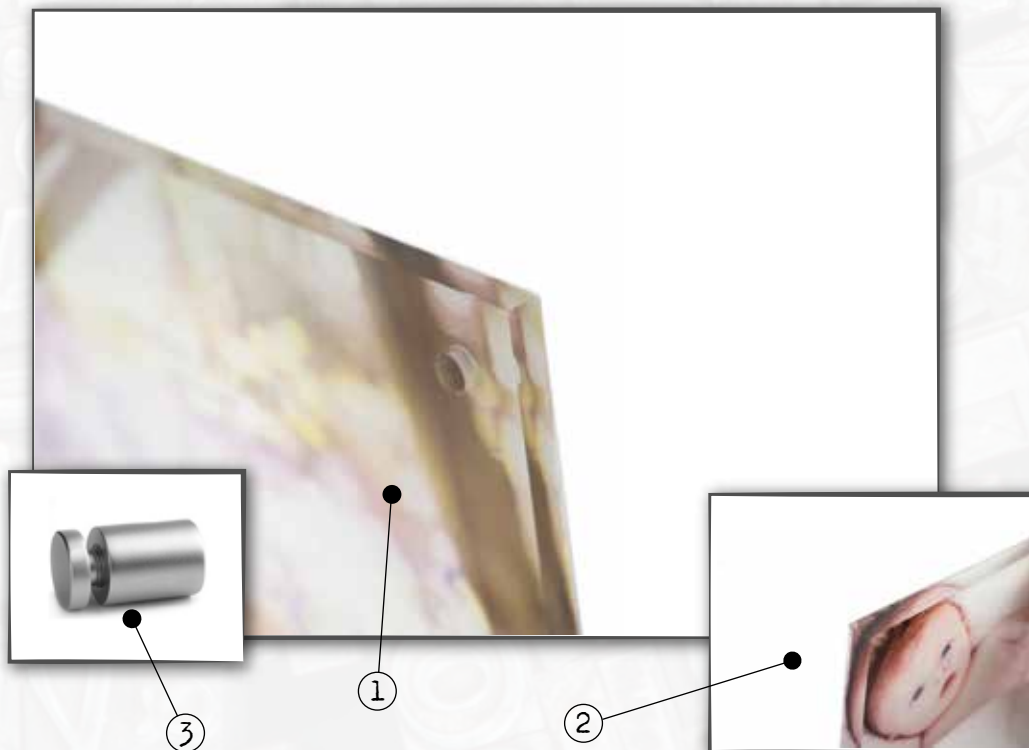

REVERSE MOUNTED 10mm PERSPEX

Product overview

Our reverse mounted prints present your images behind glass like perspex creating a modern display. Giving your image a remarkable depth and colour intensity.

Our state of the art 6 colour latex clear vinyl prints are backed in white vinyl and mounted to the reverse of the perspex which ensures the colours are particularly intense in full resolution and detail.

Combined with chrome spacers, the result is sleek art that appears to weightlessly float off your wall.

1. Clear vinyl six colour print backed in white vinyl mounted to the reverse of 10mm perspex.

2. High quality polished perspex edges.

3. Supplied with polished chrome spacers.

18mm PHOTO BLOCK

Product overview

1. White vinyl six colour print with a flat matt seal mounted to 18mm Photo Block.

2. High quality laminate edge - Available in black, white, oak and silver.

3. Supplied with inbuilt hangers and ready to hang.

Our 18mm thick photo blocks are a very sleek and modern way of displaying your images. We use high quality laminate to edge band the blocks in four different finishes of your choice - black, white oak or silver.

A six colour high definition white vinyl print with a protective flat matt seal is then mounted to the face. We then install inbuilt hangers to the reverse, once hung these blocks look like they are floating off your wall.

Photo blocks look great as singles but give an even better impact in multiples allowing you to be creative in displaying your images in any order and size you like.

Available sizes

12inch x 12inch (300mm x 300mm)

16inch x 16inch (400mm x 400mm)

12inch x 16inch (300mm x 400mm)

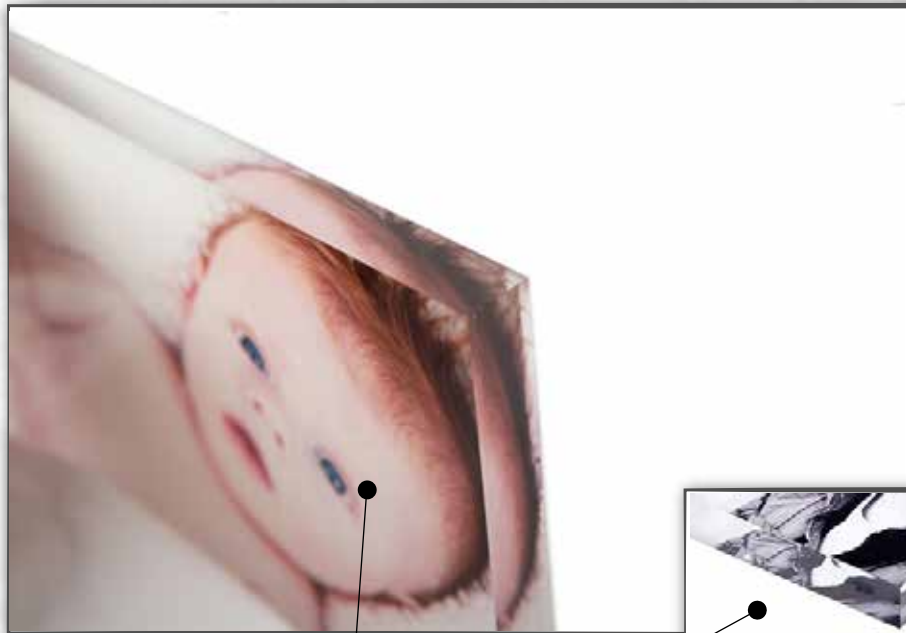

16inch x 20inch (400mm x 500mm)

20inch x 24inch (500mm x 600mm)
